PARK WATCH

Vicksburg National Military Park maintains a program called **PARK WATCH**. Our objective is to encourage park visitors and park neighbors to take an active role in protecting and preserving your park. Please be alert for any threats to the park, safety hazards, and criminal and suspicious activities.

If you observe criminal or suspicious activities, do not attempt to take action yourself. Please note the location, descriptions of the persons involved, vehicle descriptions and license numbers, and report the activities as soon as possible to the nearest park ranger or 911.

For Your Safety – Do Not Intervene!

In some cases, if your information leads to a civil or criminal conviction, you may receive a reward of up to \$500.
